Panther Football Varsity

The 1987 Royall Panther Football Teams did not have a very successful season in number of wins on the books, but they were very successful in a different way. This season will serve as good experience for the young guys to prepare them for future football seasons.

The Freshmen has a very slow start into the season; not a single point was scored during their first three games. Their fourth game against Tomah was more exciting but it failed to be successful. Royall led up until the last three minutes of the game, then Tomah scored tying it up at 6-6. The team's disappointments this year did not stop them from going out there and giving it their best.

Junior Varsity season went a little better. They held their opponents to no points for three games. The Varsity team only had three wins this season. One of those wins was against Bangor the last game of the season. Coach Sulik said his team was full of youthful talent and they worked very hard together as a team.

Despite few participants the cross country team did well this year, according to Coach Kirk Calkins. He stated that the enthusiasm of the team was the high point of the year. The biggest disappointment of the year was the few number of girls who participated said Calkins. The team consists of two girls and seven guys.

Out of the seven invitational meets the team attended, Coach Calkins commented that the Reedsburg meet was the most outstanding. The team placed 4th out of 7.

Coach Calkin's overall assessment of the season was that he saw more dedication to the team than he has even seen in the past.

Royall Netters Stick It Out

The 1987-88 Varsity Volleyball team got off to a good start by beating Hillsboro two out of three games to win their first match of the season. Unfortunately, this contest was to be a highlight of their season as the team went on to earn a disappointing 4-10 record for the year.

This year's fourteen member team, led by Mr. Ned Voss, featured seniors Lisa Brown and Michelle Wildes as Most Valuable Players.

Commenting on how the team did, Mary Brown stated that, "Overall, we played well but we didn't seem to get our stuff together."

Team member Stephanie Calkins stated that "We had the talent to be a good team, but we didn't work together well — basically because other team members were too preoccupied with other things." She continued: "The returning players realize the importance of working together after seeing what can happen when we don't cooperate."

The Junior Varsity Volleyball team came out fighting in 1987 and also won their first match by taking all three games in their first match of the season against Hillsboro.

The sixteen member Junior Varsity team, led by Mr. Larry Daines, also had a very disappointing season and won only six out of fourteen games.

Janine Grant commented on the season: "I think that we all got along well and had fun in what we did. Our record doesn't show how much potential we had."

Gymnastics on the go

This year's gymnastics team consisting of 4 seniors, 8 juniors, 4 sophomores, and 5 freshmen did a fine job for Royall.

Their coach, Mrs. Strelow, had some strong goals in mind for the girls this year. Her first goal was to tighten up the weak points in all four areas of gymnastics. Her second goal was to improve the team scores.
Mrs. Strelow thought that the girls had a very good year. They were a very devoted, self motivated, and determined team. Every morning when she got to school the equipment would be set up and the girls would be practicing and ready to go.
Senior gymnasts Naomi Maule and Dawn Hill both agreed that their best meet was at the McClellan invite at Logan High School in La Crosse. They said that the team performed at its best, and really put forth a lot of effort.
Mary Kranz, Assistant Coach, Melanie Kiel and Amy Knuth, Managers, all were great assets to the team.
Mrs. Strelow and the girls would have to agree that the year went well. Everyone seemed to work together as a team to get the work done, and helped each other to do better.

Wrestle Mania

Under the leadership of two new coaches, head coach Dan Baisden and assistant coach Randy Anderson, the 1987-88 Royall wrestling season went basically according to expectations.

Coach Baisden had, however, expected more participants to go on to sectional competition. The only regional winner advancing to sectional competition was senior member Duke Green. Even though Duke Green suffered a loss in the first round at sectionals, he is to be commended for the effort and determination that he put in to getting that far, said Baisden.

Duke Green was named Most Valuable Wrestler with a winning record of 27-1.Darrell Becker, Jeff Schultz, Brian Gerke, and Duke Green each won the honor of being named Wrestler of the Week by their coaches some time during the season.

The varsity overall season record ended up at seven wins and eight losses. The junior varsity record finished at two wins and four losses.

The 1987-88 Lady Panthers played another fine season of basketball. Despite having only four returning varsity players, the girls fought hard and ended their season with 5 wins and 7 losses in conference play. The Free Throw Trophy was awarded to Julie Olson; MVP was Michelle Wildes. Lisa Brown made Second Team All-Conference. Michelle and Julie both received Honorable Mention. The three girls shared the honor of tri-captain.

Three cheers for the Cheerleaders

The Royall cheerleaders continued to work toward boosting school enthusiasm at athletic events this year.

Projects this year included a variety of fund-raising endeavors, and the hosting of a successful cheerleading clinic for grade school students.

Cheerleader Nicole Kranenbuhl said the basketball season was good. The only thing she didn't like was when the crowd wouldn't cooperate with the cheerleaders when they were cheering.

Dawn Hill and Angie Preuss said that the football season was a lot of fun for them. The highlight of their season was homecoming; it was fulfilling and exciting.

Preuss and Hill felt that the J.V. basketball cheerleaders worked hard and showed enthusiasm, spirit, and organization throughout the season. That fact should boost Panther spirit next year.

Royall Panther Basketball

The 1987-88 Boys Basketball season started off with great promise although training rule infractions and lack of communication led to a disappointing season. The final record was 6 wins and 14 losses. The high point of the season was defeating New Lisbon.

The season's most-valuable player was Bart Arndt. Bart was also chosen for Second Team All-Conference. Andy Vieth received All-Conference Honorable Mention and the "Free Throw" trophy. Alson chosen were tri-captains Bart Arndt, Andy Vieth, and Scott Wright.

Panthers on the

Once again both boys and girls track teams have worked hard during the whole spring sports season.

As Coach Flasher stated at the Sports Awards Banquet, the most important thing in sports is the improvement, not the final results, and all coaches were very pleased with the effort and team work of the single individuals.

Team scores weren't too high, but single individuals did very well. Pat Smith, especially, is making all Royall High School proud, as he heads for State in the long jump.

Varsity Softball

The varsity team this year consisted of 6 seniors, 3 juniors, 3 sophomores, and 1 freshman. Dan Dedering coached the team to a 8-8 record. There were very few bad plays, as in dropped balls, bad throws, and other avoidable mistakes. The most memorable moment of the season was when the team beat Brookwood with a total of 47 hits. The J.V. team ended with a record of 5-4-1. The team was made up of 10 freshmen, 6 sophomores, and 1 junior.

The 1988 baseball season went very well based on the team's second place finish in the Scenic Bluff Conference with a record of 10-4 at the time of this printing. When asked what the good things about the season were, Coach Vitcenda said Jim Pearsall pitched very well and all the seniors did a good job pitching.

Brian Hyer and Joe Madden did a good job pitching for the J.V. team. Their record of 8-6 with 4 games left in the season set them up to close a good season.

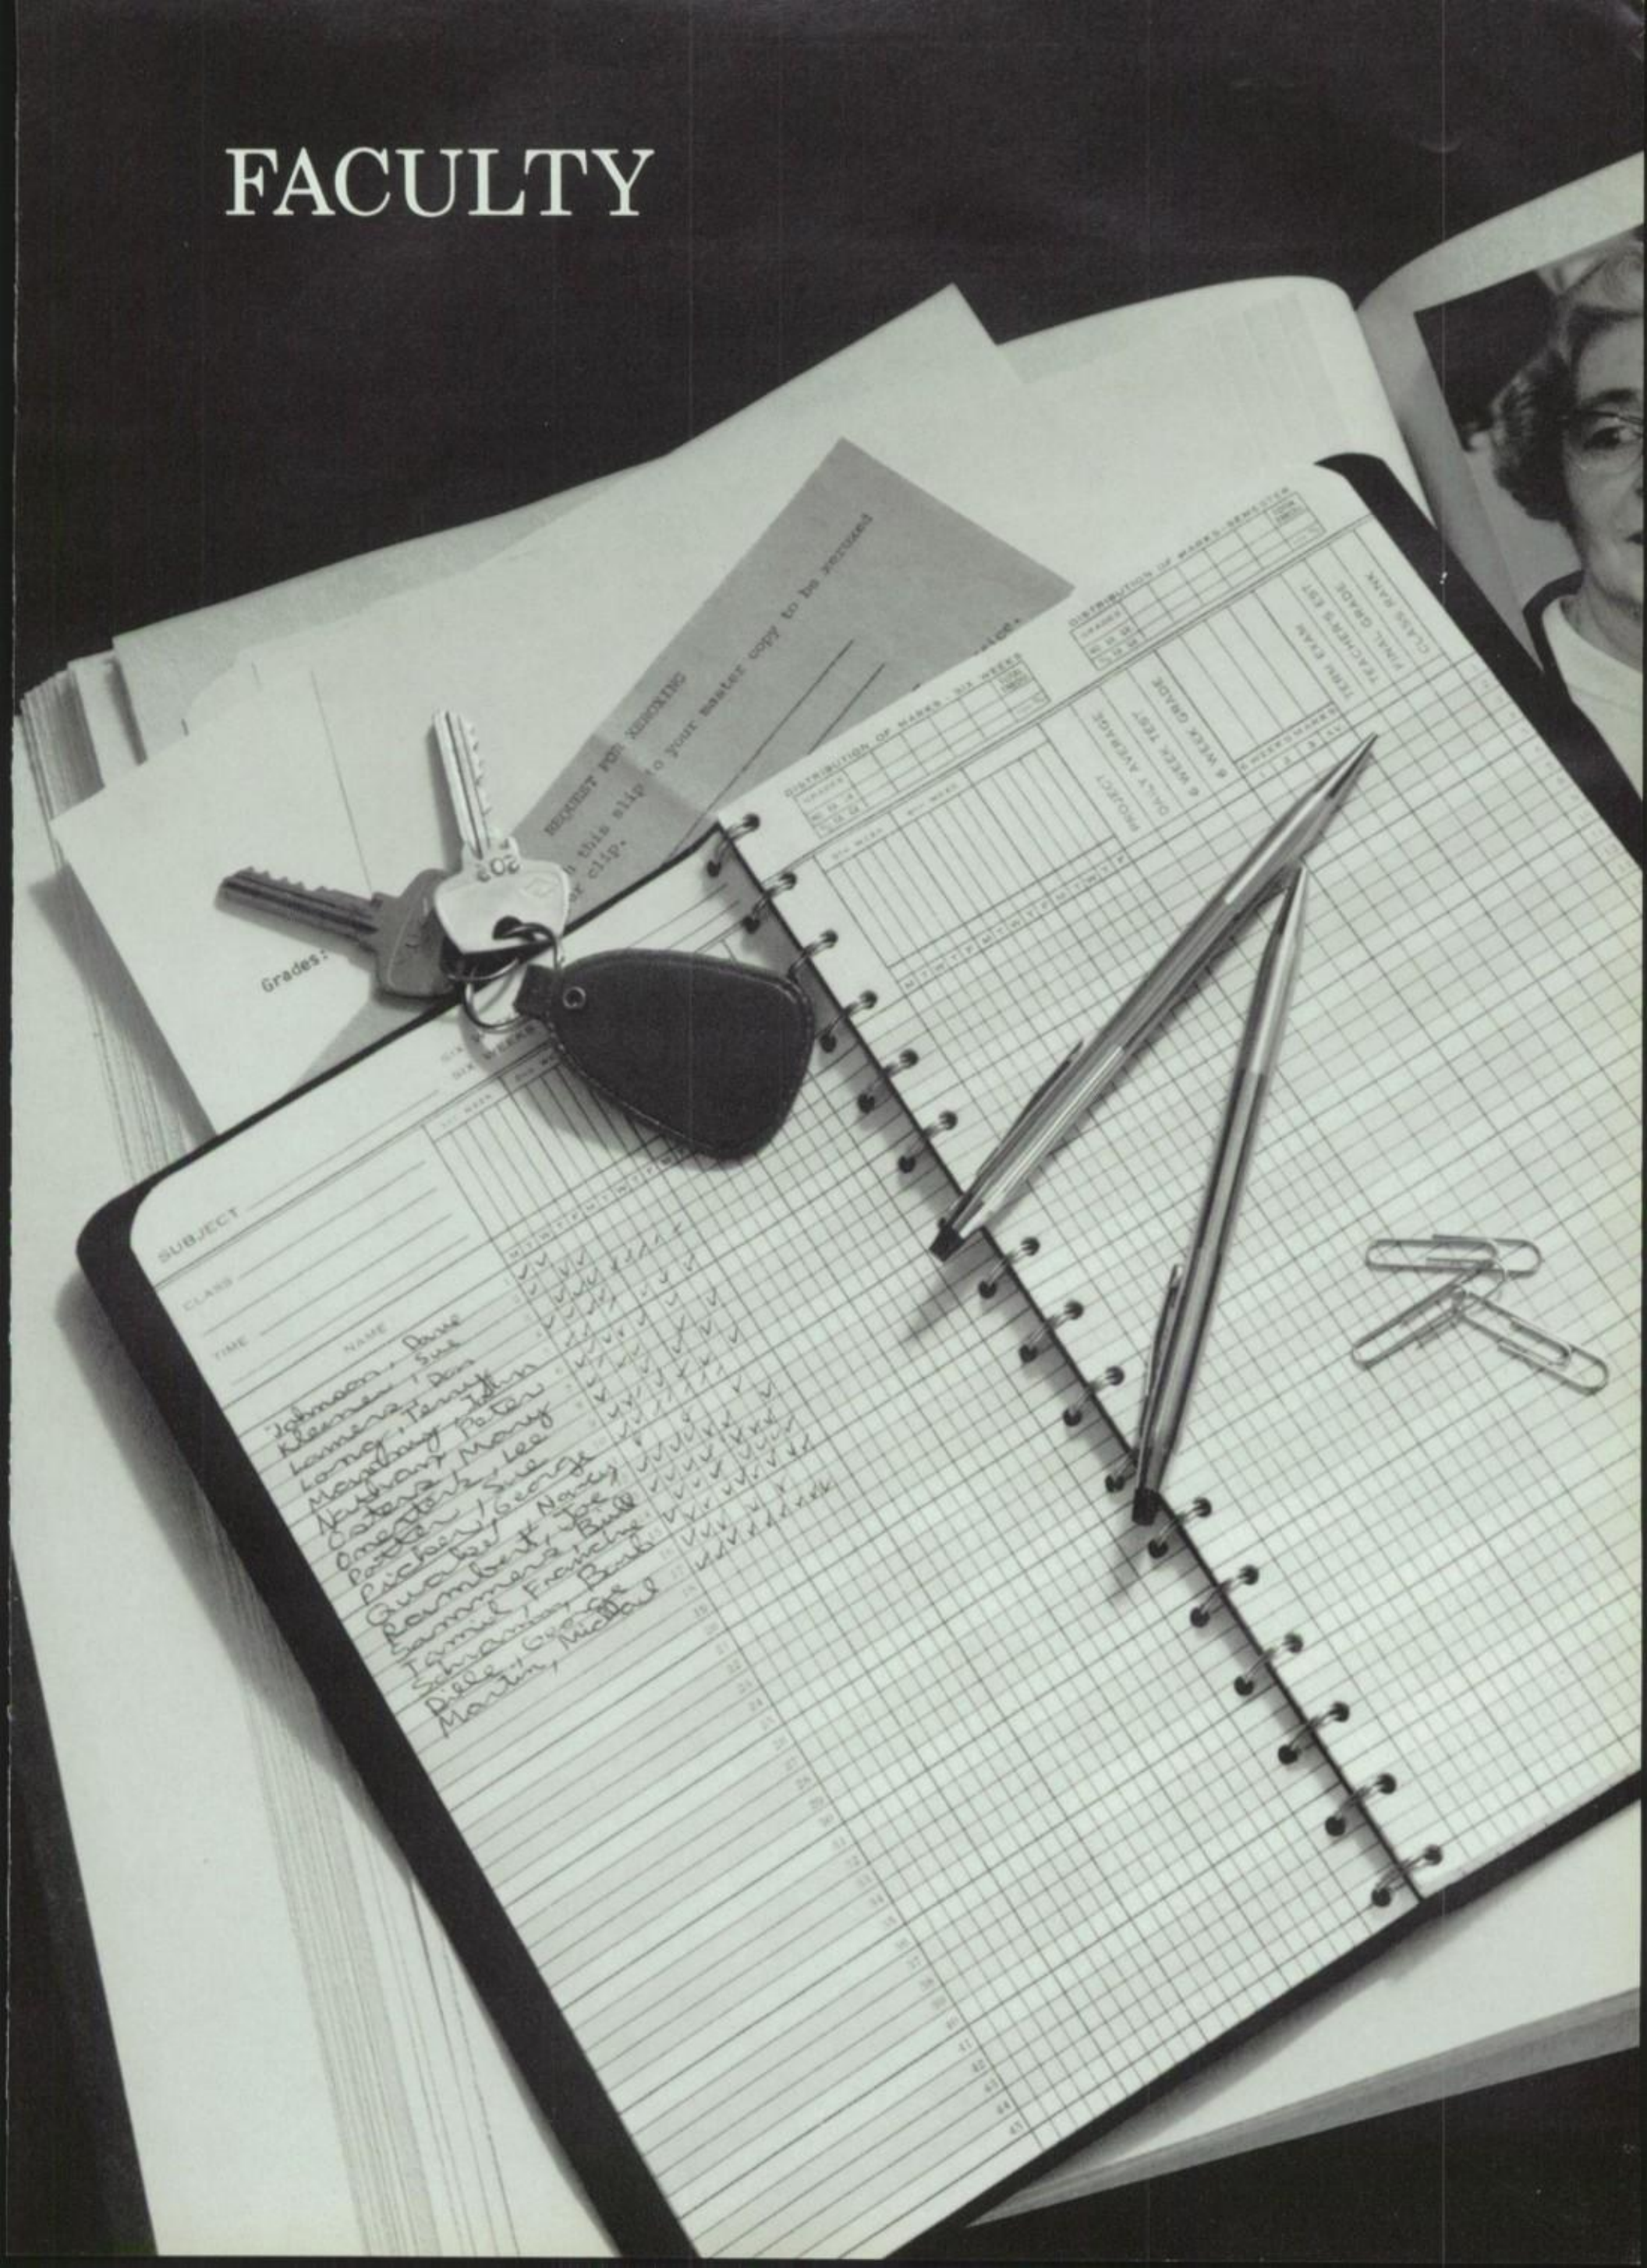
FACULTY



FACULTY: A year of change

The 1987/88 school year has been a year of change in the way of faculty assignments. Coach Delong resigned, at the end of last year as the assistant football coach and head wrestling coach. Royall lost Colleen Due when the Health Careers class was dropped. And Principal Marvin Runyon announced his resignation effective in July of 1988. Royall acquired Melvin Natti as the new school psychiatrist, and Dan Baisden replaced Coach Delong as head wrestling coach. Mr. Board and Mr. Sulik once again traded rooms which put Mr. Sulik in a much needed, larger room. Phy. Ed. became a one semester class, which meets every day instead of the usual every other day. World History was dropped and Social Studies Survey now takes its place.

Homecoming

Exciting Homecoming week 1988 had a great start due to the activities sponsored by Student Council. Along with the licorice race, egg toss, jello slurping, lifesaver race, and tug of war contest of Homecoming gone by, a new activity premiered this year. A baby bottle was filled with kool-aid and two people from each class were required to participate; one to hold the bottle and the other to drink the contents. The first team done was the victor. The first winners of the new competition were seniors Shane Mayberry and Naomi Maule.

After the coronation of King Eric Kortbein and Queen Dawn Hill, the court royalty led still excited students from skits down to the bonfire which was brought back this year.

The cold weather brought many fans into a "huddle" along with the Royall football team as the weekend kicked off when Royall took on Hillsboro for the Homecoming game, and came out on top with a 28-12 victory.

The dance Saturday night offered entertainment by Z-93 within a gym decorated like an outdoor tea garden. The theme song for 1987's Homecoming dance was "In My Dream" by REO Speedwagon.

All school play — "Charley's Aunt"

The All School Play "Charley's Aunt," held on November 6-7, 1988, was a big success. Attendance for the play was quite good, and so was the audience response.

In the play two college students, Jack and Charley, invited their girl friends, Kitty and Amy to their room, promising that a required chaperone will be there. When Charley's aunt cancels at the last minute, the boys force a friend, Lord Farcourt Babberly to impersonate her.

The false identities lead to wacky romantic triangles before the play ends happily ever after for all.

A break from the winter blues

This year's Winter Activities Week was held on February 8th. through the 12th., sponsored by the Student Council. Some of the activities this year were girls tug-of-war and boys volleyball.

Mr. Preuss stated that this year's activities were a success. He said that the students' attitudes were super. He observed that the girls- tug-of-war was a reversal of the intense competition of last year. He thought that this year's teams were too imbalanced, and the tugs went too fast. The boys volleyball playing, however, really improved. Mr. Preuss said that the crowd was more interested in the events this year.

Last year's activities were summed up at the end of the week with a dance. But this year's school calender was so filled that there was no way to fit a dance into the schedule.

Mr. Preuss said that the goal of the Winter Activities was to give the students and the staff a break from the long stretch of time between New Year's and Easter, and to revitalize everyone's outlook.

Graduation 1988

The class of 1988 began preparation for graduation with the Senior Girls Tea on April 27, 1988 at the Grace Lutheran Church Fellowship Hall. Throughout the evening the girls and their mothers were treated to entertainment by a swing choir, refreshments, and each other's company.

A few weeks later on May 10, 1988 the Senior Banquet was held. The food was prepared by John Weger and catered by the Royall High School Band. Entertainment for the evening was provided by the seniors with a slide show of pictures of when they were growing up until the present, followed by the awarding of class awards and gag gifts. The rest of the evening was spent awarding scholarships and listening to Sharon Hanks and Caterina Hugle, both exchange students, give their farewell speeches.

Four days later on Saturday, May 14, 1988 the seniors traveled to Six Flags Great America in Gurnee, IL. This special day together for the seniors provided memories which will last a lifetime.

Graduation 1988, the moment the seniors worked toward for the past four years, was held on Friday evening, May 20, 1988. The ceremony was once again held outside with perfect weather. Seventy-six seniors participated in the commencement exercises. Guest speakers for the evening were State Superintendent of Schools Herbert Grover and Governor Tommy Thompson.

Class colors were black, white, and gold. Class flower was a red rose and the class song was "Walk A Little Slower My Friend." The motto was: "What lies behind us and lies before us are tiny matters compared to what lies within us."

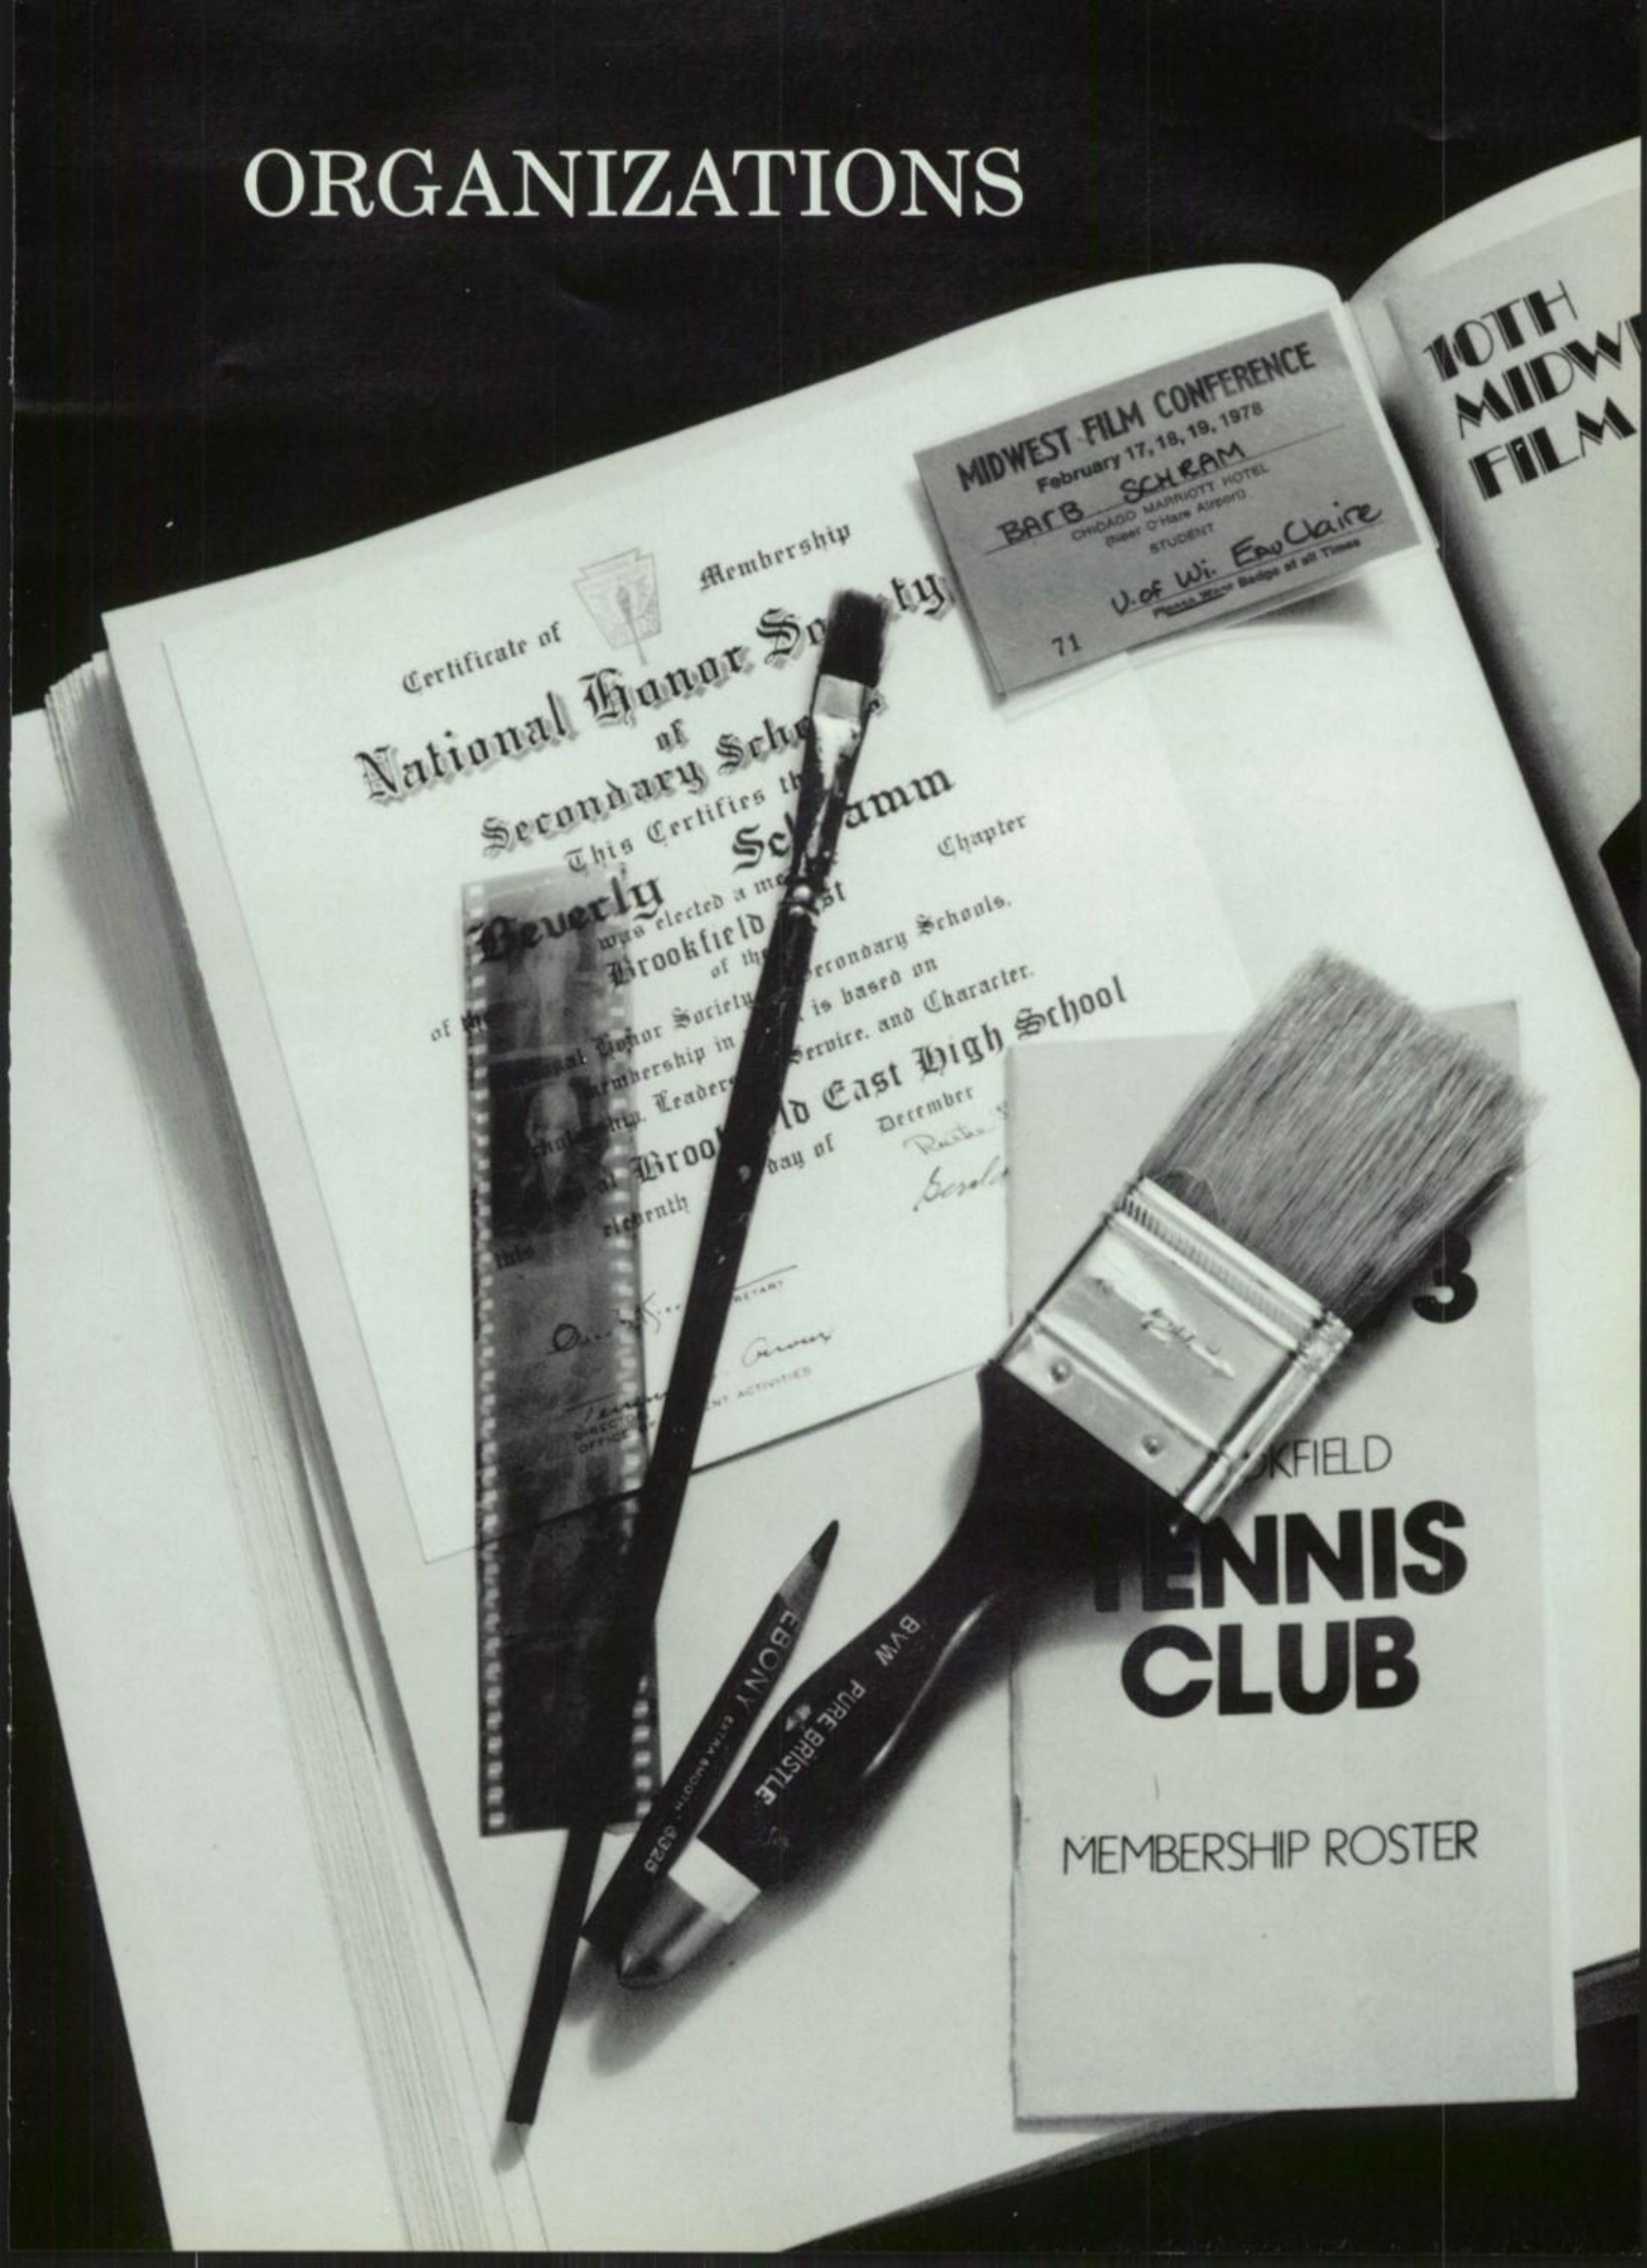
ORGANIZATIONS



Ushering in a new age at Royall

The Royall Usherettes have a new look this year. This is the first year that boys have participated. This year's trendsetters were Randy Tracy, and Paul Lewis. The Usherettes raised money this year by selling message bears during Valentine's Day. They proved to be a very popular item. The unsold bears were donated to the Early Childhood room in the Middle School.

The Usherettes are hoping to have another fund raiser. They hope that it will prove to be as popular as the bears were.

They have no officers, but are under the advisement of Mr. Miller.

Royall High School is now host to a new extra-curricular activity. A few students got the idea to start an Art Club. The club consists of students who are interested in Art, and those who could not fit Art into their schedules.

The Art Club is headed by Mr. Trodahl as advisor, and the club also has a Board of Directors with Shane Mayberry as President, Pam Ellsworth as Vice President, Naomi Maule as Secretary, and Julie Hitchcock as Treasurer. Mr. Trodahl's job, as he sees it, is to help the directors with anything they cannot do on their own.

The Club usually has meetings during ABB schedule. During these meetings members decide what their next project will be. Their services include, tye dyed t-shirts, and school mascot signs that hang on the wall in the gym. They are also planning on painting a mural on the gym wall.

Mr. Trodahl hopes that the club will be successful, and that more people will join. He also thinks that the club is worth-while because in ten or fifteen years members can come back and see what they did to improve Royall through Art.

The Royall Foreign Exchange Club, headed by Mr. Flasher, attracted thirty-one members this year. The officers this year were, Cari Novechek as President, Sue Spittgerber as Vice President, Stephanie Calkins as Secretary, and Alan Schachtely as Treasurer.

They raise money this year, by having a ice cream social in conjunction with the Christmas concert at Royall, and a spaghetti supper in February, after the Ski-Race, held in Elroy.

Royall Hosted four Foreign students this year. Caterina Hugle, from Italy, Fernanda Abriev and Camila Monaco, from Brazil, and Sharon Hanks from Australia.

Student Government

Under the guidance of Mr. Preuss, the Student Council undertook many projects this year. These included hosting Spirit Week for Homecoming, the school Christmas party, and the second annual Winter Week.

The council's goals this year were to improve upon the role that they have in planning Homecoming and Winter Week, and to encourage more student involvement in Student Council sponsored activities.
This year's officers were: President, Lynette Miller; Vice-President, Angela Preuss; Secretary, Ann Bradley; Treasurer, Shannon O'Rourke; and Advisor, Mr. Preuss.

FHA -- Helping Hands

During the fall of 1987, the FHA members took second place on a banner that they made for a district workshop. This was a great way to start the year! The FHA is kept busy all year with their many activities. They visit and send valentines to Heritage Manor, sell concessions at home track meets, and provide other public services for the school.

The FHA's goal this year was to increase membership. They narrowly managed to do this.
1987-88's officers were: President, Jill Newman; Secretary, Nettie Voss; Treausrer, Julie Benish; and Advisor, Mary Johnson.

Row 1: T. Blank, D. Gavin, R. Cornellier, N. Voss, T. Wilde. Row 2: J. Piotrowski, J. Newman, J. Hitchcock, J. Benish. Row 3: C. Bader, M. Benish, P. Ellsworth, Advisor, M. Johnson.

The math team has added up a successful season this year. In the fall of 1987 the team participated in two meets, one at the Milwaukee School of Engineering and the other at Platteville, where the team placed sixth out of eleven teams. In the spring of 1988, the team planned to travel to two more math meets.

Kirk Calkins, team advisor, called the math team an "outlet for gifted math students."

This year's team consisted of eight seniors, six juniors, three sophomores, and four freshmen.

Row 1: P. Lewis, C. Martin, E. Johnson, J. Woodworth, C. Roberts, S. Ziems, J. Ellsworth. Row 2: C. Wilson, J. Wolfgram, H. Runyon, P. Ellsworth.

Royall was heard this year through the work of the Forensics team. On February 27 the team planned to travel to Mauston High School for the sub-district competition. From there it would be decided who would go on to district and state competition.

The goals that Mr. McHenry had in mind for the team were: to have everybody qualify for district competition, and to take one more person to state than last year.
This year's two Forensics advisors were Mr. McHenry and Mr. Kueppers.

Yearbook Staff

The Publications class is one of the most productive, yet demanding classes in Royall. All year the students work hard trying to cover every school event.

This involves photography, yearbook page layouts, interviews, waiting for film to come in so production deadlines aren't missed, and sweating about pages being finished on time.

To finance the project, class members must also do plenty of fundraising. Hopefully this current yearbook production will provide students with a lifelong memory of the 1987-88 school year.

The Future Business Leaders of America got down to business this year with their many activities.

Their first fund raiser was selling candy bars. For the Thanksgiving season the FBLA held a raffle and gave away turkeys, pies, and a ham. For the second year the members received letters to Santa Claus from children in Elroy, Kendall, and Wilton and wrote back.

One of the many activities of the FBLA was having a float in the Homecoming Parade.

The officers were: Terri Arndt, President; Lavonne Todd, Vice President; LaVonne Huston, Secretary; Naomi Maule, Treasurer.

The Royall Future Farmers of America (FFA) continues to be a very active group. They attended many fairs as participants. During the fall they held an Alumni Banquet.

During FFA Week members took part in many events. They held an "All You Can Eat" pancake breakfast, recreation night, and also presented safety demonstrations for the grade school students.

Five students from the Royall FFA Chapter attended the National Convention in Kansas City; they were: Stacy Switz, Eric Schendel, Scott Cox, Kip Weber and Heidi Chapman.

The sound of Music

The choirs at Royall High School this year participated in many projects. The year began with a fall concert; the choir then worked on practice which led into the Christmas season; the concert made many spectators get into the 'Christmas Spirit'.

Continuing in the year, students were working on solos and duets for contest; many were taken to district and then to state. Meanwhile, Mrs. Stanek, the choir director, was busily working with the choirs in order to get prepared for large group festival in New Lisbon.

The Pops Concert was planned to end the year with a theme dedicated to Irving Berlin and other Broadway shows, hoping to get warm approval from the audience.

In order to raise money, the choirs this year sold candy bars and held a marathon dance. Everyone who participated stated that they enjoyed it.

The Royall Band

The Royall Panther Band comprised of forty five members began 1987-88 expecting a very busy year as usual. They were not disappointed, and neither were the crowds who enjoyed their efforts this year.

For the band's fundraiser, they sold $10,000 worth of magazines. The band plans on putting their money toward a trip to New York which will take place next year.

The Pep Band has also been a very active group. They played at every pep assembly, and every home basketball game; they also played for a Richland Center basketball game.

Solo-Ensemble

Sixty seven Royall students participated in the District Solo-Ensemble on April 16, 1988. Of the sixty seven participants, twenty three students went to the State Festival at Madison.

Mr. Ebbers and Mrs. Stanek had different ideas on how it went at Madison this year.

Mr. Ebbers thought that there was not near the participation as there was last year. He also said that the students weren't as well prepared as last year.

Mrs. Stanek thought that the choir did a good job this year and that things went well. She thought that the competition was tough.

The band ended up receiving two first ratings and one third rating. The choir received two third ratings and six first ratings.

1. Stacy Ziems and Nathan Tyler received a first at state.
2. The Royall Sax Quartet: Evan Bashirian, Beth Steinke, Ann Bradley, Heidi Runyon.
3. Heidi Runyon, and Jenelle Wolfgram performed a sax duet.
4. The Royall High School Madrigal received a 1st at state.

1988 Scholastics Award Achievers

This page is dedicated to those students of Royall High School who have obtained at least a three point zero grade point average for the 1987-88 school year. The Scholastic Banquet was held on May 3. It is one of the few times students get public recognition for their academic achievements. We believe they deserve what recognition this page gives them.

As the twenty-ninth edition of the Panther comes to a close, I realize how much work is involved on everyone's part in the Publications class. With the class involved in the newspaper, the yearbook, and the bulletin boards in the lobby, the one hour class just flies right by.

This was my second year in Publications class and I feel it was an honor to be the editor my final year. A few people deserve a special "THANKS": Mrs. Michelson for her patience, Fehrenbach Studios for being flexible to our schedule, and all the Patrons who, without the support, we would not be able to produce a yearbook.

I hope you will enjoy the book and remember all the good times you spent at Royall in 1988.
